CLARIN-NL Call 2 Projects

- **Projects: after approval**
  - Get an e-mail with confirmation
  - Get an official "toezeggingsbrief" with budget, and deliverable list as appendixes
  - This also functions as a mini consortium agreement
  - It must first be signed by the *directors* of the institutes that are partners
  - Sent to CLARIN-NL office for countersignature

CLARIN-NL Call 2 Projects

- ## Projects: Start (toezeggingsbrief in place)
    - 75% of the project budget is transferred to the coordinator
    - Coordinator must forward proportional parts to the project partner
    - Projects get assigned
        - an EB 'portefeuillehouder' (PF)
        - And 2 NAP 'portefeuillehouders'
    - They monitor the progress of the project
    - Keep them informed! Invite them to the initial project meeting

CLARIN-NL Call 2 Projects

- **Projects: Running**
  - Try to reach your colleague researchers
  - Show them what you are doing and that what you are doing is the way to go!
  - Organize workshops
  - Goal: increased interest from and involvement of humanities researchers that do not (yet) work with large digital data and tools
  - CLARIN-NL will support that
    - Logistically, financially

CLARIN-NL Call2 Projects

- End of the Project
  - Put all deliverables on the Project space
    - (or links to them if not possible)
  - Write technical/scientific report (template)
  - Financial Report (template)
    - One sheet per partner
    - Have it signed by the partners' financial administrations
  - Send it to CLARIN-NL office
  - If approved, remaining 25% is paid
